“ I’m so sorry I did not know Bunny passed. My heart is saddened by that fact because I would have loved to share in the celebration of her life.

I worked with Bunny at Suisun Valley Bank and have the fondest memories of her.

One that I can share publicly is that every bank event my husband and I would pick her up and she would ride in the front with him.

She said it was because of her bad hips but I’m pretty sure she just wanted to sit next to my husband. lol

Please accept our earnest and heartfelt, although terribly late, condolences.
