

Curtis Kelley

May 24, 1927 - November 12, 2023

Curtis passed away at 96 years of age, a beloved husband to his wife, Mazzie (married 10/1/1960) & father to their daughter, Ginger Rene'e Kelley.

He was raised as a Witness of Jehovah, the name of our wonderful & true God (Psalm 83:18). For a time he lived in Brooklyn NY working at Bethel, our headquarters, & had many good memories of that. His hope was to be resurrected healthy & strong on an earthly paradise & live forever. Talking to others about this hope was a wonderful privilege, & shared that it would come about very soon under God's Kingdom arrangement that Jesus taught his followers to pray for & teach. (Matthew 6:9-10; 10:7)... the theme itself of Jesus' preaching & teaching (Luke 4:43). Until Curtis returns, he will be sorely missed.
