“ *Debbie was the oldest of 5 children,,she was a very strong and loving woman,sister and mom,as a mother of 3she had to become a strong individual to take on the responsibility she was dealt,,but thru everything she endured,there was always a place for someone in need,,I sure learned a lot from her in life,and can only hope to be as special she was,,I will miss her greatly,,  
One by one we will link again,,I love you,,your little sister*
