“ *My heartfelt condolences to the family and friends of Dennis 🙏*

I spent a considerable amount of my youth & adult life in and around Radio Barrigada , Guam because of close family ties, the familian Capili's and Bamba's . Throughout those years I can remember Dennis handing out with my cousins and sibling .

May he rest in peace and perpetual light shine upon him 😇

“ A POEM IN MEMORY OF OUR BELOVED BROTHER

I wish I Could Be There

*I wish I could be there by your side
Like you were with me, not once, but twice*

*I wish I could be there to give you a hug And tell you, it's just a bad
spell, you'll get over this bug*

*I wish I could be there just to hold your hand, And listen to your
favorite music and rock band*

*I wish I could be there to say how much you're loved Not just by
your family, but the Almighty above*

*I wish I could be there to encourage you to fight Because brother, at
the end of your tunnel is the brightest light.*

I wish I could be there....

LOVE YOU!

“ I've known Dennis for over 20 years. We played cards together at Cache Creek. He was one tough cookie on the card table, but a sweetheart if you weren't in a hand against him. I'm very sad he has passed and will miss him. Linda Adorni
