“ *My uncle Edward, what a awesome man! Someone you could always look up to, always full of wisdom, love and courage. Even when he lived overseas he was always reaching out to my family, forever concerned. Although he was in Japan and I was in Detroit he required a full disclosure of my scholastic progress. Our last conversation as usual was filled with wisdom, love and strength even though he was fighting serious health challenges. He will be greatly missed but always loved!*

“ *In Remembrance of My Beloved Brother, Edward:*

From the football fields of Northern High School to our sailing on the high seas to the re-dedication to Christ, he has filled my heart with nothing but joy! He was not only a brother in the physical realm, but also in the Spirit. He leaves me with so many memories, such as sitting on our front steps on Kenilworth Street in the early-fifties telling me that one day a man will go to the moon. Just a few years ago, telling me that he believed he would see the coming of Christ. Last Tuesday, his wish was granted. Glory be to God!

“ *The Day God Took You,
Uncle Edward Gordon Phillips*

By Brigette Phillips

*It was the shocking news that brought tears to my eyes.
You made me remember what it was like to cry, love, let go,
and Let God!
On that dreadful day, it was between you and your God that he
took you home!*

*There's a feeling in my skin, one that I can't ignore.
I hate waking up in the morning, knowing I can't call you on the
phone!
I miss the way when you smiled, you lit up the whole night sky!
I miss the way you taught me, to never at all be shy!*

Thank you for always Loving me!

*Your Niece,
Brigette Phillips*

“ Edward Gordon Phillips was my Brother-In-Law , He will be missed by us all. He was truly a man of God. He loved his Wife , his church and his family. He always had a sense of humor even when you were feeling out of sort. He was stationed in San Diego, CA and he would come to visit us when he was on leave. One time I remember in the early 1960's He came to visit us in Los Angeles, CA. Audrey had surgery and my mother asked Edward how does she look? Edward answered, "Well Mom she always looks good to me". Edward always had a way of making you smile. He was our Family's Christian warrior, a Teacher and a Preacher when it came tto knowing The Word of God. I never heard him say an unkind word about anyone. Dearest Edward your journey has ended you fought the good fight, so please rest now in peace! Missing you already. Your Loving Sister-In-Law, Sandra Phillips, RN
