

Elsie Benedicta Kazinec

January 18, 1923 - September 15, 2022

Elizabeth "Elsie" Benedicta Kazinec was a loving and caring wife, mother, sister, grandmother, aunt, and friend. She devoted her life to her Lord and Savior, Jesus Christ through her Catholic faith. Elsie was born to Albert Jotice and Anna Marie Weithas on January 18, 1923, as a twin to her sister Florence, in Wilkes-Barre, Pennsylvania. While working at the Sylvania Electric plant in Williamsport, PA, she met her future husband Alojzy Kazinec. They were married on June 21st, 1947. Together they had four children: Cecilia, Robert, John, and Steven. In 1957 Elsie, Al, and family moved to Fairfield, CA where she remained for the rest of her life.

Elsie was a long time member of her church's Y.L.I. (young ladies institute). She was always helping out her fellow members doing fund raisers and planning events for the church. She enjoyed many trips with her Y.L.I. friends to Reno on the bus. She also volunteered at Holy Spirit Catholic School where her children attended. She had many close friends who remained in contact with her throughout the past few decades. Thank you to all who kept her company by visiting with her, encouraging her, and making her laugh/smile.

Elsie joined her Savior, Jesus Christ on September 15, 2022.

Please join us to celebrate Elsie's 99 years of life.

“ *You always gave me a reason to appreciate life, love, and family. I enjoyed turning your frown upside down:-) I cherish all of our visits together, just me and you. The Lord finally kept his date with you and I know you are as happy as can be with him and the rest of your family in heaven. Love you grandma, Jennifer*

“ I always remember Aunt Elsie with her beautiful smile. She was always fun and full of laughter. We always enjoyed her company. When she was with Mom and her other sisters she was always the mischievous one, egging on her sisters. Of course I have a special connection to her since I was born on her birthday. I always knew I would be getting a birthday card from California. Always on time always with a special note and often with a handwritten poem. Oh her handwriting was so perfect even last year. It was a little shakier than normal but still could have been used as a manual for cursive. Eternal rest grant unto her and may perpetual light shine upon her. May she rest in peace. Love

“ I remember when I was just a young girl and my grandma and grandpa came to visit us! They would stay in my parents room and I remember following grandma around and I would see her Rosary and I remember telling her, “grandma did you know your in the wrong religion”? We grew up Christian and my grandparents were strong Catholics! My grandma told me to shush and never repeat that in front of grandpa!!! Lol. I’ve always remember that!
