"ERIC CHARLES ADAME-TOMS

07/11/1982 - 12/13/2022

Eric Charles Adame-Toms passed away in the comfort of his home in Fairfield, Ca., on December 13, 2022, at age 40. He is survived by his parents, Christopher and Noel Toms, his sister, Danielle Toms (Robert), his brother, Ryan Toms, his aunts, uncles, and cousins, and by the love of his life and caregiver, Stephanie Whitlock DeMartile.

Eric was born in Walnut Creek, Ca., and was raised in the East Bay. As a young boy, Eric developed a love for baseball and basketball and played for his school teams. As a high school student, Eric played Junior Varsity for two years. He was a hard worker and took jobs in the community as a young man, while still attending high school. He also had a love for exotic and old classic cars. He was an honors graduate of John Swett High School in Crockett, Ca. Class of 2001. Through all of his serious health conditions following a severe traumatic brain injury 21 years ago, Eric's courage and resilience continually inspired everyone who crossed his path. Even at his lowest points, his zest for life and radiant smile never wavered. It is that smile that will be missed by all who had the privilege to know and love him.

A celebration of Eric's life will be held on Friday, January 6, 2022 at 2:00pm at

“ Eric I'll always remember you as Mr. Cool! But unlike most cool kids, you also had a strong character of kindness and humility that was easy to notice. Rest easy friend 🧡

“ Eric was at our home daily for nearly 3 years before the accident. I have many fond memories of all the laughs and good times I shared with him and Stephanie. His smile and laugh truly lit up the room. He cooked dinner for us, and I will also never forget going into Four Corners Pizza when he worked there, and just seeing him behind the counter with that smile. Ear to ear, just pure sunshine and so handsome. The deep love for Eric will continue forever and he will be missed so very much. He was definitely one of a kind. Love you Eric. ❤️

“ What can I say? I love you and miss you terribly. I miss the daily smiles that immediately brought me joy and filled my heart with love. There aren't words to do you justice. You are something so special, to this world and beyond ❤️ Accident or no accident, you are such a bright light. You made the world a better place literally by just existing 🌟 Thank you for 24 incredible years of unconditional love here with me. I guess we'll have to do the next few from different places but I know I'll see you again. And this will all just have been a little blink of an eye in the big picture of eternity. 🙏❤️🌟 I love you more de more Giles Bo because you're sweet and never sour at all. I'm gonna keep telling you that, even if it makes me sound crazy. ❤️ 🌟🌈🙏📧 Thank you for everything you've done for me. I'm so grateful for you. 🥹
