MV

“ Everett Vanover was one of the kindest men I ever knew. I married his eldest son who shares his name. Everett loved his children unconditionally and would do anything for them. He was also a wonderful grampa to his many grandchildren. I will miss your stories, Everett. Rest in peace!

“ Everett was my father in law. He was one of the most kind, caring individuals that I have ever met. He loved everyone of his children equally, but in different ways. Some needed more monetary help, while others took advantage of his advice from all his life experience. We all loved him so very much and will miss his never ending stories. I am so very grateful to have known this man.
