

Jack Miller

February 12, 2023

Jack Dean Miller passed peacefully Sunday Feb. 12th at age 93. We will miss his quiet strength, integrity, wicked sharp humor, the mischievous twinkle in those crystal blue eyes, and his lovely, lovely voice that brought comfort just by its sound.

We grow up thinking their fathers are the best at everything but he truly was. His athleticism and the sheer number of different sports he excelled at was unrivaled by anyone I have known in my lifetime. Baseball in his teens, bowling (high scores) and waterskiing (even barefoot) in his 20s, golf in his 30s, snow skiing in his 40s and 50s (black diamonds achieved very quickly), dirt bike riding in late 50s and 60s, always the fearless one who would go straight up the steepest incline, and snowmobile riding in his 70's and 80's. He even managed to get his pilot's license. He would master a sport and move to the next one. Always needing another challenge and just a little more excitement.

Ask him what the most important thing in his life was? He said love. He was blessed to love and be loved by the most wonderful woman for 59 years, Donna, who cared for him during his years of illness so he could stay in their home that he loved. Also blessed with 3 daughters, Laura, Ruth, and Melinda, his son Alan and son-in-law Robert, two grandsons, Jacob and Lenny and a granddaughter, Kaily one great-grandson, Xander with another arriving in March, as well as 7 brothers and sisters, countless nieces, nephews, lots more family and great friends. He was well loved.
