“ Linda, I am so sorry to hear about Jims passing. I know these past few years have been pretty tough on him, you and the family. Now he will no longer be in the pain he had endured and hopefully this will help give you and the kids some comfort knowing he is at peace. Jim always had the greatest sense of humor from the time i met him in the 7-11 days. When I think of Jim I constantly hear him saying "DUCK PLUCKER"....not just the words but THE TONE he would say it in. Sending love and prayers to you and the family.

“ *To the family of James Clark,*

You have our deepest sympathy. He will be missed, we'll miss him telling us that he was the Honorable J.F.C. I always called him the dishonorable J.F.C. Him and my husband and sometimes me, would go fishing. They both liked Berkley Pier or the Rio Vista pier. He would come down to the house and him and my husband would talk for hours. I know many times his wife would call to see if he was still here. LOL.

If there is anything you need just let me know.

*LOVE,
Robert and dee Kiser*
