“ I couldn't have asked for a better Godmother. My parents and Mr & Mrs Bridges were such great friends that they were entrusted to be my God parents. Even though there were many miles between us, we managed to stay in contact with one another over the years. She was the last of the four to leave us. I will be forever grateful to her. I am going to miss her laugh more than anything. Be in peace. I love you. Lajuan

“ *Jollia always had a smile. One of our best times was when we met Red Foxx at Caesar's Palace; he sat with us joking all night. Plus she was the best cook. Her and Sgt. Bridges were a role model to Kelly and myself how a marriage should work. God bless and love to the family.*

“ *To the family and friends of Julia Bridges; Albert and Lou Jean Turner have wonderful memories of our times with the Bridges. We met by way of the military in Turkey. They took This young couple under their wings and treated us as family. We had fun at parties, playing cards. WE are truly thankful to our God for the connection to the Bridges family. We are praying for your peace as you honor the life of your precious beloved. I don't remember a time when she didn't have a smile. So much love to all.*

“ My other family💕💕💕. Everywhere Mr Bridges was stationed, my dad was stationed there as well. My parents loved the Bridges. Such an awesome family and so rare to have such great people in your lives for so long when serving in the military. I have such fond memories of our parents and their friendship. Rest well Mrs. Bridges. Tell my mom (Lestine) I said hi and I love her. You are now with Mr Bridges and Darryl.
