“ *The first time I met Ronald was when her Mom, Aunt Connie and him visited the Philippines. I think he was only 14 then. The next time I met him was when my brothers Albert Paul, Jeffreery and I came to the US for the first time in 1975. Him and his brothers and sisters where the first cousins we met in the US. Ronald was always pleasant to us. He was always eager to be part of the conversation. He always seem very serious about the topic of his conversation. He seemed very up to date with what is going on in his own world and he was always serious when it comes to money matters, business and investing. I always enjoy my time and my conversations with him.*
