“ I so enjoyed having the chance to get to know Karen when we both worked at Armijo High School. Loved her kindness and sense of humor. I worked as support in special education classrooms so our paths crossed often as my students helped custodial and groundskeepers as part of their work experience. Karen was such a great example to them, always helping them learn their jobs- and the annual lunches she helped put together for my students will always be special memories. My prayers to all her loved ones

“ I know that Karen is in heaven now. She selflessly gave so much of herself. I had the pleasure of knowing Karen for the last 5 years. She helped others as well as the furry population. I will miss her and our trips to the craft fairs. Rest in peace my friend.

Karen, you were a wonderful colleague and friend. You had such a kind heart as you watched over all of the Armijo feral kitties. Rest In Peace. You are missed.

Karen was loved by me and my late husband, Kent, she worked with Kent and had the patience of a saint. We all shared yearly craft fares at Napa and Benecia every year . She was a devoted cat lover and will be missed by all. My thoughts and prayers go out to her family and many friends. Sincerely, Kathy Bartl
