“ Larry the kindness that you showed to the old lady Frances Bailey, my mother will always and forever have my heart indebted to you. God Bless you for being the kind person that you always were. You earned your wings and I know you are soaring with Momma and the Heavenly Angels. Rest in Peace.

“ My Dear Sagittarius Friend, Larry Harris. Every year Larry called me on my birthday just to say Happy Birthday Sag. The next day was his birthday and I'd call him back to say Happy Birthday Sag. Even though he was my brother's motorcycle friend, when he found out that we both were Sagittarius' only a day apart in birthdays, the ritual began. Periodically, throughout the year Larry would simply call just to see how I was doing. He was such a kind person. My brother and I will surely miss him.
