“ *Condolences to the family of one of the gracious and honorable man I know. In the time we worked together Sgt May was an awesome guy. He was very respectful and professional. He was kind every time he came into the office and very patient when he did. Working with over 100 jet mechanics he was an outstanding guy. He will surely be missed.*

“ I met Louis when I was 15, 30 years ago! He was my father's best friend. And he came to be a close friend to our whole family. He was the meekest, calmest, and most polite person I've ever had the pleasure to meet. I'd like to offer my condolences to his family. My deepest sympathies go out to you! He will be dearly missed by me and my family, as well as many other people who's lives he's touched! He was an amazing person and will always be remembered as such!
