“ *My sincere condolences to you. My name is Martin. I am Mark's old colleague for many years. I am so sorry hearing his sudden departure. I had a lot of plans to fellowship with him after my retirement, I am just few more years before my retirement. He knew and we chat a lot for that. No sure why God have him left us in such an unexpected time. I know that he is in good hands of God now and have eternal joy with Him, no sick or illness. He does not need the new air conditioning too. I miss him, I miss him very very much.....I am so proud he had such a great mom and dad on earth. If there is anything I could assist or help, let me know. My number is (415) 912-7221.*
