“ All the years I spent around my granddaddy I never realized how lucky I was to see my great grandfather not to many people get to see theirs and I'm thankful. Granddaddy gave me my name. He always had me laughing and smiling. Granddaddy you will be missed.

“ Thank you daddy for sharing your life with me. I enjoyed the last 10 year with you. I am glad you show me some things like fishing and camping and just getting to know our family from all over the USA. You lived a good life you and your wife mommy. You will be missed RIP.
