“ My name is Pj, son of Meding(auntie Myrnas cousin). Before my bday (july 3rd) i was thinking about my aunt because i have not seen the whole fam since the buffet in san jose and i really miss them so i was planning on visiting Fairfield. I wanted to tell my aunt that i love her so much and thank her and appreciate her especially for the times she calls my mom and when i answer she would always say that she loves me before i give the phone to my mom. I always keep that memory in my heart and it breaks my heart thats shes gone now. But then i know God took her to heaven now to be the one who prepares a new place so when its our time to go she and others like my dad will welcome us.
