“ Dear Barbara Jean and Brian,

My condolences and love to your family in the loss of you loving and devoted mother, Nina Mae Lucas. Nina and I were lifelong friends from the beginning. I met her in elementary school over 85 years ago in the first grade and we became best friends from a very young age. I was sixteen days older than Nina Mae; we were not only close in age but close in our friendship as well. Nina came from a beautiful family and was a beautiful person; I will never forget them. Every weekend we would ride in her grandfather's 1940 Ford with Nina driving at an early age. My late husband Chester and I were blessed to visit with Paul and Nina in Spain while Paul was stationed there over six decades ago, what a precious memory.

I am sorry I cannot be with you all during this sad time due to a foot injury. It would have been one of the last flights of my life. Nina was my lifelong friend and we cherished our special bond and friendship. Your mother was a sweet person, very intelligent and had a strong determined spirit to succeed. She was a trusted friend and prayer warrior. My prayers are for my friend Nina Mae Lucas' family; may God continue to bless you all.

With all my Love,

*Earline Jones Evans, son Kelvin Evans, daughter Valerie Evans
Cardwell and family*

“ *Nina’s compassion for the Lord was like no others. She loved our God without conditions. That love overflowed to her family, friends and brothers/sisters in Christ. She always made time to reach out and ask for prayers for others that had personal or physical needs. Never, no matter how she was feeling, did she complain about herself. She was thoughtful, loving and caring. I praise God she’s with Jesus now, dancing and singing His praises. Until we see each other again, Nina, I’ll miss you for now, my friend*
