“ I have a fond memory of Noralee at one of the Kimbel Reunions. One year Lois and Terry invited Butch and I to one of their Kimbel reunions in Branson Missouri. We were strangers to a lot of the Kimbel family but everyone was so kind and friendly, Noralee being one that was very kind to me. After visiting a while I was getting hungry. Right away, Noralee took me to the kitchen and made me a bologna sandwich from Jack's refrigerator. I will always remember her thoughtfulness. She was a sweet lady who helped make us feel comfortable and welcome. She will be missed. (Georgia Hurst, Lois Kimbel's sister-in-law)

“ I remember our Kimbel Reunion with Noralee when her and Johnny pulled their camping trailer to Branson. We would go visit with them in their trailer, and us girls would go shopping together. She would tell me how much she enjoyed her and Johnny traveling with theirs camper. This past year we would talk on the phone for two hour or more at a time just enjoying talking to each other. I will miss those long visits on the phone. We'll visit again in heaven someday. You will be missed Noralee. (Lois)
