“ *You will be missed Pat!* ❤️😭

*You taught me how to make lumpia, you showed me that a rare steak is the most flavorful, you loved my hair, your sweet kisses to your grandchildren, your beautiful boldness, your laughter, your love for makeup, your choice of fashion, your dinners, your love for animals, ( you had a duck, a rabbit, birds, and a cat that loved each other) dancing with you, and listening to great music! The list goes on!* 😭

*Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.*

“ When your hero falls from grace,  
All fairy-tale are uncovered.  
Myths exposed and pain magnified,  
the greatest pain discovered.  
You told me to be strong,  
But I'm confused to see you so weak.  
I've know you never to give up, so it hurt to see you welcome  
defeat.  
When your hero falls,  
So do the stars and so does perception of tomorrow.  
Without my hero there is only me alone to get through all my sorrow.  
Your ceasas to work and your soul is not happy at all.

*What are you supposed to do when your hero falls?*
