“ Richard and the Sanders family were great friends and neighbors! We shared so many fun times and difficult times as well. Richard was a wonderful family man and friend. He will be missed.

“ Richard was my brother, well, not really but a couple of years ago, we decided that it was just a mistake of nature that we were not born of the same parents.. I could not have loved Richard more if we shared the same DNA. He was my baby sister's husband for over 30 years, and when she left us, he found a brand new sister for me, Sharon, whom I love like a real sister. My heart aches for her. Richard will always have a piece of my heart and I will never stop missing my brother. Frema Rooker Byrd
