“ Over the weekend our Vacaville Kaiser lost one of the greatest guys that our facility has ever had the honor and privilege to know. For many of us Rogee was far more than an upbeat funny coworker who brought his love of Reggae music to our department and into our soul, he was a very dear friend. Rogee's presence touched everyone around him and he brought so much joy to our hospital and even more so to those of us who knew him outside of work. If you knew him you loved him, plain and simple. I've never met anyone who was more proud of being a father and husband than Rogee. His family was everything to him and his whole life. Everyday he would talk about either his wife, his boys, his in laws, or his friends and it was always something positive and with so much heart and respect. He is so greatly missed by all of us. We love you Brother. Brian
