“ I will be in San Francisco soon and was trying to locate Ron. I saw that he is listed as a Faculty member at GGU. I contacted them and they had no record of him there. Then I came across his obituary. I met Ron very soon after I moved to Houston in 1984 and he became a good friend for many years. He moved away living in many different places and I moved to Chicago and we lost touch. I had hoped to reconnect with him. He was a good friend with a great sense of humor. He is already missed. Wishing him peace. William Levitt

“ Ron has been a very good friend of ours since the 80's. He was very thoughtful and caring, with a quick, witty sense of humor. He is one of the smartest man I've ever known and more importantly he was a wonderful human being. We would always text back and forth about the silliest and the most pressing issues of the day and then he suddenly stopped sending me messages...
You will be sorely missed my friend. Rest In Peace and go with the angels!❤️💕💕

“ Ron was my boss at Unity Council and he was the best. He was my mentor through all these years giving me his advice. Nothing bothered him and I always tried to imitate him but I couldn't. He made me laugh even if I was mad. He was always positive no matter what was happening. I miss your texts which always made me laugh. I am sure you are causing a riot up in heaven. I will miss you Ron.....
