

Ronald McCamey

September 20, 1968 - December 9, 2024

Ronald McCamey was born in 1968 in Long Beach California to parents Hollis and Donna McCamey. He was a huge fan of science fiction programs like Star Trek and Star Wars. It was his mother Donna, who would sit down and watch them with him during his childhood even up until adulthood. Ron also loved watching Saturday morning cartoons as a child and we, his sisters, would have to watch them with him since he was the oldest. He also loved computers. He bought his first computer with his first summer job in high school.

After Ron Graduated High School, he joined the Navy. He loved the places the Navy brought him as well as the educational opportunities.

He served in the Military for 20 years. During his years of service, he was deployed to the Persian Gulf during the Gulf War. He served his country with bravery and honor. He has worked in various parts of the world including Alaska, Key West FL, Baghdad, and Cuba. Ron loved his service in the Military and was a good friend to many people that he met while serving his country in multiple theaters around the globe. He was a very amiable person, and once he took a liking to you, you had a best friend for life. Ron had a fond love of the Bible and history. He would enjoy sitting down and talking about various scriptures in the Bible.

He gave many charitable donations over the years to organizations for the peace in Israel. After his years of military service, he chose to settle down in Northern California to be near his family. Ron was loved and will be truly missed. He transitioned out of this life on December 9th, 2024. Ron was preceded in death by his older sister Kimberley, His Father Hollis and his mother Donna. He is survived by his sisters Sophia McCamey and Melissa Nickelson, a niece and nephew, his Aunt Elizabeth Gravett on his father's side of the family, Aunts, and an Uncle on his mother's side of the family.
