“ I made a post last night, but I don't see it. If it posts again, sorry.

*Ronda started working at the jail a month after me. We hit it off right away. I think because we both had young children around the same age, plus we had similar senses of humor. You need a good sense of humor to work graves. There are many memories, but the one that I cherish the most is when Ronda invite myself and my 2 kids camping with her and her daughter, Morgan. My family had never went camping so it was an all new adventure for us. Ronda brought her Ski Jet; which we had never done before. My kids were scared, but put on a brave face for Ronda. At night she would tell ghosts stories, and scared the crap out of my son. It was a great adventure; which was almost 20 years later, my kids still talk about it. And laugh! Ronda made a ever lasting memory for us; which can never be taken away. Thank you, Friend.*

*After I got laid off from the jail, I didn't see Ronda. We kept in touch via FB. I'm glad we did.*

*Ronda, you was always near when we needed a comforting look, or to share a crazy joke or laugh. You were a kind and caring individual who made all our lives more meaningful. You will always be a part of my heart. I pray for Morgan, your sisters, and your Mom. I pray God brings them comfort knowing you are still with us, and one day we will all rejoice in Heaven! Love you my Friend! Debby*

“ I started working at the Sheriff's Department one month before Ronda. We both worked the grave shift, and we hit it off right away. We both had small children around the same age, so we could relate and share a lot. Ronda invited us along with her daughter, Morgan, to go camping on Ryder Island. She brought her Ski Jet. We had so much fun! At night, Ronda would tell Ghost stories, and scare the crap out of my son. That was close to 20 years ago, and my kids still talk about that little camping trip. Ronda made a beautiful lasting memory for each of them. There were so many other fun times, but that one meant the most.

Ronda, since I was laid off from Sheriff's Department, we didn't see each other, but we kept in touch with FB. You will be missed beyond words. I pray for Morgan, your sisters, and your Mom.... I pray God will comfort them, so they enjoy all the lasting, and loving memories you have made for each of them. I believe one day we will all rejoice in Heaven. Until then my Friend, Rest In Peace, and know how much you are Loved.

“ I remember Ronda happily showing us, co-workers, some Beaded Bracelets that Morgan had made. She was so proud of her Little Girl. I bought three of them, which I have today.

Fly away my lovable friend, you have been set free. No more worries. Look out for me down her in this complicated world. Until we meet again. You're Forever in my Heart.
