“ Sal my neighbor. I miss him. We always would see each other out in front of our house and catch up on life, or each other's next project or what's growing in our respective gardens. We would let each other know when we'd be away. He would always offer to bring in my garbage cans. My only friend in this neighborhood, he is already missed. See you in heaven Sal!!

“ Sal always had a smile on his face 😊 he was very helpful and had many talents. He loved to travel and enjoyed traveling with his motor home. I'm glad that he got to travel as much as he did. Unfortunately his life was cut short but he will always be remembered 😊

“ *Sal was my partner in crime. We had so many good laughs together. I remember I tried to get him to do the time at Caltrans but he would always come up with some funny excuse why he couldn't. I will surely miss him a lot. We kept in touch and I will miss those phone calls. He would always start off the conversation with Que Paso Amigo. Rest in peace my Amigo buddy. I hope you and Mike are up there putting up some good ol' signs.*
