“ *I'm a former Diablo employee that met Tommie when our department took over a function that Tommie's department was handling. Even though tensions were high about it, Tommie graciously trained me in how to properly handle the tasks. He was friendly and helpful and always had a smile for everyone he encountered. Over the years, I would bump into him at the plant and he always greeted me with a smile and asked how I was doing. He was one of my favorite people at work and even though I'm retired now and haven't seen him for a couple of years, I will miss him dearly. With heartfelt condolences, Robin*

“ *I remember when Tommie would come to church he always had a smile on his face! I also recall when he was ready to be baptized and was so excited on the day he gave his life to the Lord! He will be missed but we will see him again when Christ come and receive him on that first resurrection morning along with all those that died in the Lord! Until then may we hold on unto that faith!*
