“ I meet victor earlier this year as a referral from my neighbor in Sunnyvale. The moment I meet victor I liked him. Such a positive energy, nice person, helpful and always full of smiles and friendships. Victor and his team done a beautiful and professional job for us redoing our driveway and walkway.

What a helpful person and real pro on his job. We became friendly and talked about soccer and if Messi is better than Ronaldo. To remember me among his many jobs I told him to call me Messi, so that what stuck with him.

I'm a realtor too, and always looking for contractors I can refer to my clients. My first referral just a week later, was for another job in Sunnyvale to redo the garage. My clients were very happy with the job Victor and his team did.

The last time I meet Victor was May 6th when I called him to borrow a tool. As usual, helpful and friendly a joy just to be around him.

Monday around 6AM I received the dreadful call about Victor passing. I was shocked and sadden, what a loss. I went to meet the JJR team which were working on a sidewalk repair in Cupertino just to be among others who knew him much better and share with them the loss of a great human being.

“ Victor you left too soon. Your 5 beautiful children who you loved so much. Your family is here in disbelief. You kept such good vibes anywhere you were. So happy at work always making jokes and laughing. Your singing and dancing always lit up the room. You worked so hard to keep food on the table. Victor, no one ever will forget you. May you watch over your family as an angel from above.
