“ *Bill (and Ron) was such a good friend of my brother Ken Tuffo. May he rest in peace. Those guys are having a ball in heaven hashing out old stories!* ”

“ *Bill (lovingly known to many as "Erc") will be missed more than we can express. He's been a friend for decades and we had so many wonderful memories with him. Many at Car Shows, other times just having dinner with him at the old Joe's of Westlake or just shooting the breeze at our home in Daly City or his home in Daly City then in Oakdale.* ”

Erc was very fun to be around. He had such a knowledge of cars and mechanics and loved to share his expertise. We always appreciated that...

Other than his Family, Bill loved his cars and loved showing them off.

*Erc, may you now *Rest in Paradise!"*
